SUBMISSION DUE DATE: 30-Nov-2018

SPECIAL SESSION ON: "Emerging Trends in WSN, IOT, Machine learning, AI

and Optimization Techniques"

"INTERNATIONAL CONFERENCE ON INNOVATIVE COMPUTING AND COMMUNICATION ICICC---2019"

Guest Editor: Name: Dr. Kavita

University: Lovely Professional University, Phagwara.

Country: India

e-mail: dhullkavita@yahoo.in

kavita.21914@lpu.co.in

[Dr. Avinash sharma]

Guest Editor

University: Maharishi Markandeshwar (Deemed to be University)

Country: India

E-mail: asharma@mmumullana.org

INTRODUCTION:

This special session is basically focused on different issues regarding advancements in the field of Artificial Intelligence and emerging trends of computing. The crucial part is that research in this domain includes very interesting fields like machine learning and artificial intelligence. Different types of optimization techniques help out to find out the better solution for the system. This session will be very helpful for those who want to contribute in the field of WSN, IOT, Machine Learning, AI and Optimization Techniques and will also open up new avenues of research.

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

- Modeling and theory in Communication Systems
- Machine learning applications in Internet-of-Things and smart sensors.
- Optimization algorithms for Energy efficient communication
- Machine learning and optimization for malware research
- Trends of Cryptography Techniques
- Optimization algorithms
- Sensor Based Health Monitoring
- Internet of Things
- Intelligent Electronic Devices
- Farmer Support System
- Wireless sensor network
- Human-Machine interaction
- Deep Learning and Deep Bayesian Networks

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this special theme session on "Emerging Trends in WSN, IOT, Machine learning, AI and Optimization Techniques" on or before 30-Nov-2018. All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at http://icicc-conf.com/paper_submission.html. All submitted papers will be reviewed on a double-blind, peer review basis.

NOTE:While submitting paper in this special session, please specify "Emerging Trends in WSN, IOT, Machine learning, Al and Optimization Techniques" at the top (above paper title) of the first page of your paper.

All inquires should be should be directed to the attention of:

[Dr. Kavita]

Guest Editor
